

HOW DO YOU WANT ME TO FEEL?

A DISABILITY PRIDE SEMINAR

Thursday June 21th, 10-1 PM

Presenter Jeff Zitofsky, Peer Specialist

Why wouldn't people want those of us living with disabilities to feel conscious of and go so far as to celebrate our own worth?

Why wouldn't we want to celebrate our own worth?

Who decides what disability is and do we even need this label?

People living with disabilities represent the most varied and diverse minority in our society.

This interactive and evocative training on Disability Pride will focus on Ableism, Intersectionality, The American Disabilities Act, Medical and Social Models of Disability, the History and Culture of Disability and our own experience. Whether you're living with a disability or are being paid to support us, this training will help us answer the question: "How do we feel about disability?"
