

EATING DISORDERS 101

ARE YOU AWARE THAT AT LEAST 30 MILLION PEOPLE
OF ALL AGES AND GENDERS SUFFER FROM AN
EATING DISORDER IN THE U.S?

Professionals will be introduced to basic concepts of eating disorders including: prevalence, symptoms, warning signs and medical considerations. The presentation is designed to give you skills they can incorporate in your practice through effective interventions.

Presenter Christine Knorr is a Licensed Clinical Social Worker who is certified by the International Association of Eating Disorder Professionals as a Certified Eating Disorders Specialist. She provides community education and outreach on the topic of Eating Disorders awareness and prevention at Rockland Jewish Family Service.

Participants will earn *Continuing Education (CE) credits, 3 credits for \$25.00.
